PROJECTS - COMPLETED AND FUTURE

- Roofs are being replaced on 3 condos. As most of you are aware, work has begun. Please do NOT take up visitors parking as the units with the roof replacements need to use that parking. Repeat offenders will be towed at owner's expense. Roofs will be stripped throught the 4th, and tile will be delivered on May 19th & 20th which will again begin restrictions on garage and driveway parking.
- Rip rap project still on hold until we get rain. Please watch for a mailed notice from Trowbridge on when the project will begin.

Special Days in May

- The **Kentucky Derby** is held annually on the first Saturday in May. This year still holds tradition and you will see the horses race on May 2nd.
- **Star Wars Day is celebrated on May 4, as in May the Fourth be with You!**
- **Cinco de Mayo is celebrated every May 5th.**
- **Mother's Day is celebrated the second Sunday of the month. May 10th**
- **Armed Forces Day is the third Saturday of May**
- **Sally Ride Day is May 26th.**
- **Memorial Day is celebrated the last Monday of the month, May 25th.**

FOOD FACTS REESE PEANUT BUTTER CUPS

- Dairy farmer H.B. Reese, an employee of The Hershey Company, invented the candy in his basement in 1928.
- The candy was initially sold for one cent each and were initially named "Penny Cups".
- The Reese Candy Company was created, with the initial offerings being the Lizzie bar (chocolate and caramel) and the Johnny Bar (chocolate and molasses).
- During WWII, rationing of chocolate and other candies proved difficult for some candy companies, but peanut butter was not rationed. This proved to be a boon for the Reese Candy Company. Production stopped on the other candies, and the focus was on the peanut butter cups.
- The Hershey company bought the Reese's Candy Company in 1963 after H.B. Reese passed away.
- Another product that boosted sales for the Hershey's/Reese's brand was Reese's Pieces, introduced in 1978. Hershey's answer to M&Ms.
- Reese's Pieces got more popular when they were featured in the E.T. movie ... being E.T.'s favorite snack, after M&M/Mars declined the offer from Steven Spielberg to be in the movie.
